

Soundings

A SEMI-ANNUAL PUBLICATION FOR MEMBERS AND FRIENDS

Winter/Spring 2009

New Club Website is Just a Click Away!

www.hobesoundgolfclub.com

The new Hobe Sound Golf Club Website is up and running thanks to Charlie Babin who designed the site and Carl Heineck who provided much of the art and photography now displayed. The web address is www.hobesoundgolfclub.com. We will be continually updating the content so check it often. For those who have yet to visit the site, the user name is **hsgc** and the password is **member**.

Our marketing efforts for new members are in full swing with a TV ad on CNBC and the Golf Channel and an ad in the *Palm Beach Post*. We have received positive response

and a number of visits from potential new members.

We have a new catering menu and we are actively seeking outside events for evenings that are now open. We are planning a big push for weddings and hope to have bookings this summer.

If there is anything I can assist you with, please don't hesitate to contact me.

John Galland
Club Manager
